Opening Prayer

In the name of the Father and of the Son
and of the Holy Spirit, Amen

We thank you God, for the wonder of
ourselves, because we are unique,
marvelous, talented creations of your hands.

May we appreciate and value all the
wonders of our lives and the wonders of all
people and nature. In doing this, may we
protect, affirm and build a better more
peaceful world. Amen

- In God's will, there is great peace
- Pray and God will do the rest
- Death brings us to God
- I am definitely loved and whatever happens to me-I am awaited by this Love. And so my life is good
- The best thing for us is not what we consider best, but what the Lord wants of us

Bakhita Stars

St. Josephine Bakhita models prayer, forgiveness and hope. We want those same attributes in our staff. We want our staff to see the beauty in the children as she saw in the stars, and to see challenges as opportunities for growth and learning.

These qualities can truly make
a difference in creating an
engaging and supportive
learning environment
Kindergarten through Grade 9.

St. Josephine Bakhita Tentative Hours

Kindergarten- Half day programs

The classroom is where students learn and explore ideas together while working towards the Kindergarten curriculum.

The teacher plans and develops lessons and will teach the curriculum to the whole class as well as in small groups and 1-on-1.

The classroom teacher creates meaningful learning opportunities by setting targeted learning goals for the children to work towards achieving.

The teacher assesses the children's understanding and reports on the student's achievements to parents/caregivers including formal reporting.

Play-based opportunities take place throughout the Kindergarten Program to support the student's natural curiosity as they begin to understand the curriculum being taught.
